

VIRTUAL NURSING

via TytoCare

FREE, Confidential Appointments Available:

- Open to **ALL students** (they do not need to be a Bellin Health patient to use)
- On-demand during kiosk hours
- Easily accessible and user-friendly step-by-step login instructions
- Virtual convenience on-site through the use of cutting-edge technology
- **HIPAA and FERPA compliant**

On-Demand Nurse Appointments For:

- Acute Care (e.g., ear pain/impaction, cold, flu, allergy symptoms)
- Chronic Care (e.g., blood pressure monitoring and diabetic education)
- Preventative Care (e.g., lifestyle management, behavioral health concerns)
- School Nursing Consultation

Virtual Nurse Hours:

Monday - Friday
5 a.m. - 5 p.m. (CST)

Visit bellin.org/wi-virtualnurse or scan the QR code to access consent forms or for more information.
