

Who Do we need? WE NEED YOU!

If you have a student in Hilbert Middle or High School then you are already a member of the Parent Network. Please consider becoming an active member of our group by...

- Attend our monthly meetings.
- Volunteer at any of our events.
- Offer your talents, ideas and input.
- Become a runner - we often need volunteers to shop and/or pick up orders and items throughout the year, especially for our Greeter Program.
- Let us know of any Senior Citizens that may enjoy being one of our Grandparent Greeters or volunteer to take care of scheduling our Greeters each month.
- Assist with the Post Prom Party by soliciting donations for and/or stuffing donation envelopes; request prizes and donations; shop for prizes, coordinate games; chaperone; donate food or refreshments.

Parents
In Support of
Children and
Other Parents Within
The Hilbert School District

Who We Are...

The Hilbert Parent Network is made up of parents, staff and community members interested in becoming a positive influence in the lives of our kids in Hilbert Middle School and High School. It is our intent to provide information to all families that want or need the information to include even those who are unable to attend our meetings.

Our philosophy is that the best way to become involved in our children's lives is to network with other parents in order to gain information, demonstrate volunteerism and to open lines of communication between parents and our children. Our ultimate goal is to unite parents as they guide their children through the journey in their most formative years and to help them learn how to make responsible and informed decisions.

What We Do...

Hilbert Parent Network prides itself on initiating and being involved in many activities and fundraisers, as well as financially supporting many requests of our student groups and faculty.

Some examples of Parent Network initiatives, activities and fund raisers include:

Recognition Programs - Parent network takes great pride in supporting and recognizing all of our students who participate in our school's extracurricular activities. We host rehearsal dinners for the cast of our musical productions; provide donations of food, refreshments or treats to our state bound students and athletes. In addition, we recognize our great teaching staff during Teacher Appreciation Week.

Fund Raising - Efforts include providing delicious desserts and selling flowers during intermission of the High School musical. Concessions for Solo and Ensemble and selling decals and other school spirit items.

Grandparent Greeter Program - This positive monthly program, coordinated and sponsored by the Parent Network, blends Senior Citizens of our community and our young students. Grandparents greet students with a treat as they arrive at school in the morning.

Post Prom Party - This is one of our High School student's most anticipated events. A lock-in style party offers a safe, healthy environment for students to "party after the prom." Parent Network members help the School District by raising funds for, planning for and chaperoning the party.
