STUDENT IMMUNIZATION RECORD

INSTRUCTIONS TO PARENT: COMPLETE AND RETURN TO SCHOOL WITHIN 30 DAYS AFTER ADMISSION. State law requires all public and private school students to present written evidence of immunization against certain diseases within 30 school days of admission. The current age/grade specific requirements are available from schools and local health departments. These requirements can be waived only if a properly signed health, religious, or personal conviction waiver is filed with the school. The purpose of this form is to measure compliance with the law and will be used for that reason only. If you have questions on immunizations or how to complete this form, contact your child's school or local health department.
